Media Release

Hilton Metal Forging Ltd successfully manufactures Railway Wagon Wheel set.

Hilton Metal Forging Ltd has successfully Manufactured Railways Wagon Wheel set. Railways Wagon wheel set has been duly inspected and approved by RITES. Hilton Metal Forging Ltd will cater to growing demand of the Railways Wagon manufacturers for the Railways Wagon wheel set. FY26 Hilton Metal Forging Ltd has plans of manufacturing more than 3,000 Railways wagon wheel set. FY27 plan to increase production to more than 12,000 Railways wagon wheel set thus increasing the Railways business of Hilton Metal Forging Ltd under “Make in India” initiative.

Govt of India has strong emphasis on increasing Freight transport movement through Railways network from current 27% to 45% by 2030 in India. With 98% of the Rail Route electrified and focus on Mission Raftaar, Indian Railways plans to increase speed of Freight Trains and Passenger Trains across length and Breadth of India and reduce travel time.

In the FY25 total 41,929 Freight wagons (FY24 - Total 37,650 Freight wagons) were made across all Wagon factories in India, FY25 total 1,681 locomotives (up 19% from FY24 – Total 1,472 locomotives), FY25 total 7,134 Railway passenger Coaches of different types (FY 24 – 6,541 Different types of passenger coaches) were manufactured.

Every year around 90,000 mix of Freight wagons, passenger coaches, Locomotives come up for Periodic Maintenance at round 44 Railways workshop across India.

Annual Demand for New Railway wagon wheel set is around 1,70,000 numbers and new wheels demand is around 2,50,000 numbers. As Wagon, Coaches, Locomotives Production increases in India every year, demand for New Wagon Wheel set and New Wheels will increase every year in India.

Railway Wagon Wheel set manufactured by Hilton Metal Forging Ltd.
